per hundred square feet, which is cheaper and much bet-ter than paint. This Roofing will be found to be the best thong for covering large doofs where they are exposed to fir — such as Steam Mills, Saw Mills, Factories, Railroad Cars, Bridges, Depote, Station Wouses, Steamboat Decks, and, in fact, every kind of Roof where there is an external exposure from fire. As the Roof is perfect, without a joint in it, it presents no chance for fire to communicate, and any light sub-tance will be no out without ignifing.

The Inventor and Proprietor of Godfrey's Celebrated Cordate Bitters in recommending them as an unrivalled tenic and invigorant, is sustained by the best medical authorities of Europe and America, as well as by the multitudes who have tested them. As a restorative they stand alone. Thousands who are now languishing might awake to new existence by this powerful renovator. The dyspeptic who resorts to Godfrey's Cordial Bitters, finds the benefits permanent. Upon the vital organs, they exercise a direct sanitary influence, and yet their agency is as mild as salutary. For general debility, sinking at the stomach, loss of appetite, sick headache, or mental depression, hypochondriasis, broken sleep, flatulance, faintness after exercise, irritability, challe, coativeness, and all disorders of the nervous system, their benefits are incalculable.
